What makes easyVit[®] unique?

easyVit delivers customized supplements with **natural flavours and no added sugar**, addressing common health concerns like dental issues, diabetes, and obesity.

The convenient chewable gel form makes EasyFishoil easy to consume, eliminating the discomfort associated with swallowing traditional solid supplement forms.

No sugar

No gluten

Non-GMO

No preservatives,
lard or additives

Dental Care

Weight Friendly

Diabetes Safe

Chewable gel form

Concordix[®]

Technology

Nutrient Delivery System Innovation

easyVit's **patented ConCordix[®] technology** delivers lipophilic nutrients in billions of stabilized oil droplets with **exceptional bioavailability**. Clinical studies show a **44% increase in lipid-based uptake and higher plasma concentrations compared to conventional solid forms**.

Billions of stabilized oil droplets

44% increase in lipid-based nutrient uptake

Superior plasma bioavailability

Inspired by physiological absorption

Digestive enzyme activation

Optimized absorption

Higher efficacy at reduced dosages

Enhanced Bioavailability*

44%

The diameter of each oil droplet is as small as 80 micrometers (equivalent to one-thousandth of a millimeter).

*Haug, I. J., Sagmo, L. B., Zeiss, D., Olsen, I. C., Draget, K. I., & Seternes, T. (2011). Bioavailability of EPA and DHA delivered by gelled emulsions and soft gel capsules. *European Journal of Lipid Science and Technology*, 113(2), 137-145.

Innovative Packaging Technology

Each gel form is individually sealed in advanced **Alu-Alu Blister packaging**, providing a **superior barrier against oxygen, light, and moisture**. This pharmaceutical-grade protection ensures **hygiene, stability, and biochemical integrity** throughout shelf life. By preventing oxidation and environmental exposure, it **preserves active ingredients and maintains original potency** in all climates year-round.

Barrier against oxygen, light, and moisture

Protects nutrient integrity

Prevents oxidative degradation

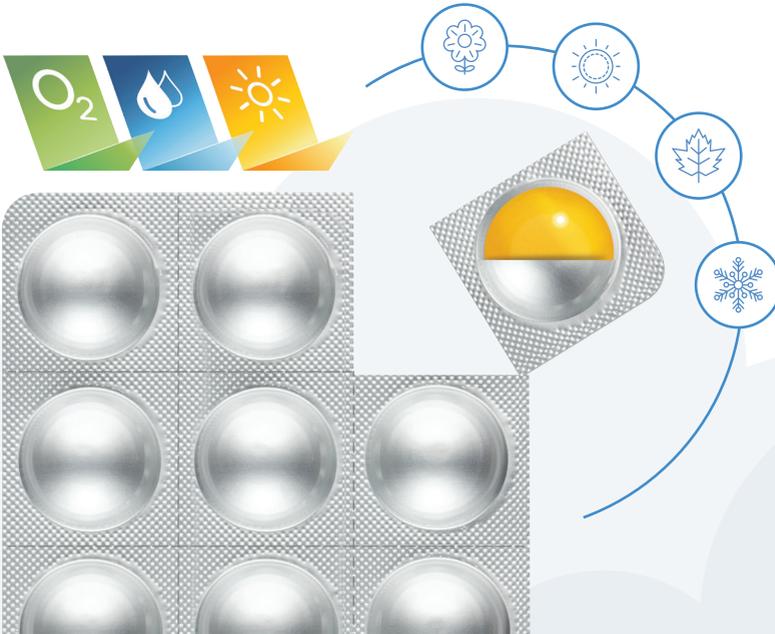

Hygienic, tamper-resistant handling

Maintains stability and potency

First-day freshness all year round

EasyFisHoil

The Ultimate Omega 3

Strawberry and Lemon Flavour

EasyFisHoil contains optimal amounts of Omega-3 fatty acids, EPA, and DHA, which are essential for supporting the normal function of the heart, brain, and vision.**

Additionally, it includes vitamin D, which enhances calcium absorption and promotes the healthy development and growth of children's bones. Vitamin D also plays a crucial role in maintaining a robust immune system.

What's Inside Matters

Nutritional Information

In 1 gel form

	Amount	NRV
Fish Oil Concentrate	543 mg	
Total Omega 3 fatty acids	407 mg	
DHA (Docosahexaenoic Acid)	282 mg	
EPA (Eicosapentaenoic Acid)	68 mg	
Vitamin D3	5 µg (200 IU)	100%

NRV: Nutritional Reference Value

The European Food Safety Authority (EFSA), recommends 250 mg of DHA+EPA intake a day for healthy children aged between 2 to 18. *

Easyfishoil meets the daily recommended amount of DHA and EPA ratios by EFSA, with a single gel form.

instructions

It is recommended to consume **1 gel form** a day for children aged 3 and above.

A balanced and diversified diet is important to lead a healthy life. Excessive consumption may produce laxative effects.

*-EFSA (European Food Safety Authority). Scientific Opinion on Dietary Reference Values for fats, including saturated fatty acids, polyunsaturated fatty acids, monounsaturated fatty acids, trans fatty acids, and cholesterol (EFSA Journal 2010; 8(3):1461)

**-. The beneficial effect is obtained with a daily intake of 250 mg of DHA.

EasyFishoil Grow

Healthy Growth Support

Lemon Lime and Strawberry Flavour

Zinc is essential for proper growth and development during childhood and adolescence. It plays a role in cell division, protein synthesis, and hormone regulation, all of which are important for achieving optimal height. Iodine is an essential mineral that plays a critical role in thyroid hormone production, which is important for growth and development.

What's Inside Matters

Nutritional Information

In 1 gel form

	Amount	NRV
Fish Oil Concentrate	450mg	
Total Omega 3 fatty acids	270 mg	
EPA (Eicosapentaenoic acid)	135 mg	
DHA (Docosahexaenoic acid)	90 mg	
Vitamin A	200 µg RE	25%
Vitamin D3	5 µg (200 IU)	100%
Vitamin E	5 mg α-TE	42%
Vitamin K2	10 µg	13%
Vitamin B3 (Niacin)	8 mg NE	50%
Vitamin B6 (Pyridoxine)	0,7 mg	50%
Biotin (Vitamin B7)	25 µg	50%
Folate (Vitamin B9)	100 µg	50%
Vitamin B12 (Cobalamin)	1,25 µg	50%
Zinc	2 mg	20%
Iodine	30 µg	20%

NRV: Nutritional Reference Value

It is recommended to consume **1 gel form** a day for children aged 3 and above.

A balanced and varied diet is important to lead a healthy lifestyle. Excessive consumption may cause laxative effects.

EasyFishoil Multi

Daily Enriched Multivitamin

Natural Strawberry and Lemon Flavour

Children may not always receive all the essential vitamins and minerals they need from their diet alone, causing malnourishment. EasyFishoil Multi helps bridge these nutritional gaps, providing key nutrients essential for healthy bone growth, cognitive development, and overall physical well-being.

What's Inside Matters

Nutritional Information In 1 gel form

	Amount	NRV
Fish Oil Concentrate	500,8 mg	
Total Omega 3 fatty acids	315,50 mg	
DHA (Docosahexaenoic acid)	105,17 mg	
EPA (Eicosapentaenoic acid)	157,75 mg	
Choline	20 mg	
Vitamin C	15 mg	19%
Vitamin E	6 mg α-TE	50%
Vitamin B3 (Niacin)	3 mg NE	19%
Vitamin B6	0,8 mg	57%
Vitamin A	400 µg RE	50%
Vitamin D3	5 µg (200 IU)	100%
Vitamin B9 (Folic Acid)	150 µg	75%
Vitamin B12	1,5 µg	60%
Biotin (Vitamin B7)	30 µg	60%

NRV: Nutritional Reference Value

Naturally tasty

instructions

It is recommended to consume **1 gel form**
a day for children aged 3 and above.

A balanced and varied diet is important to lead a healthy lifestyle. Excessive consumption may cause laxative effects.

EasyFishoil Defence

Advanced Immunity

Natural Mixed Fruit Flavour

Beta glucans enhance the immune response by activating macrophages and neutrophils, reducing infection severity in children. EasyFishoil combines clinically studied **Wellmune® beta glucan**, a natural yeast-derived ingredient backed by science to help strengthen the immune system, with Omega 3 and Vitamins A, C, and D to support children's immune health all year round.

What's Inside Matters

Nutritional Information

In 1 gel form	Amount	NRV
Fish Oil Concentrate	475,5 mg	
Total Omega 3 fatty acids	300 mg	
EPA (Eicosapentaenoic Acid)	150 mg	
DHA (Docosahexaenoic Acid)	100 mg	
1-3;1-6 Beta Glucan from Wellmune®	50 mg	
Vitamin A	500 µg RE	63%
Vitamin C	15 mg	19%
Vitamin D3	12,5 µg (500 IU)	250%

NRV: Nutritional Reference Value

instructions

It is recommended to consume **1 gel form** a day for children aged 3 and above.

 wellmune®

A balanced and varied diet is important to lead a healthy lifestyle. Excessive consumption may cause laxative effects.
